Hudson Capital Advisors BD, LLC
Notes to Financial Statements
December 31, 2017

Note 1 – Organization and Nature of Business

Hudson Capital Advisors BD, LLC (the “Company”), was formed as a Delaware limited liability company on December 4, 2003. The Company is registered as a broker-dealer in securities registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company’s primary business activities include providing merger and acquisition advisory services, financial advisory services, and restructuring services to small and middle market companies.

The Company was a wholly owned subsidiary of Hudson Capital Advisors, LLC (the “Former Parent”). Effective July 1, 2009, BIR, LLC (the “Parent”), a company affiliated with a member of the Former Parent, acquired all of the Company’s membership interests from the Former Parent.

As a limited liability company, the member is not personally liable for any of the debts, obligations, losses, claims, or judgments on any of the liabilities of the Company whether arising in tort, contract, or otherwise, except as provided by law.

Note 2 – Significant Accounting Policies

Basis of Presentation

The Company conducts the following types of business as a securities broker-dealer, which comprises several classes of services, including:

- Private placements of securities
- Advisor – banking, mergers & acquisitions

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Company records revenue when fees are earned, generally as the services are rendered to the Company’s clients.

Income Taxes

The Company is a single member limited liability company and is treated as a disregarded entity for income tax purposes. As such, the Company’s operations are reported on the tax returns of its member, who is responsible for any taxes thereon.

Hudson Capital Advisors BD, LLC
Notes to Financial Statements
December 31, 2017

Note 2 – Significant Accounting Policies (continued)

Income Taxes (continued)

Therefore, no provision or liability for federal income taxes is included in these financial statements. The State of California has a similar treatment, although there exists a provision for a gross income tax and a minimum Franchise Tax of \$800. The accounting principles generally accepted in the United States of America provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Company in its Federal and State organization tax returns are more likely than not to be sustained upon examination. The Company is subject to examinations by U.S. Federal and State tax authorities from 2014 to the present, generally for three years after they are filed.

Depreciation

Depreciation is provided on a straight-line basis using estimated useful lives of five to ten years. Leasehold improvements are amortized over the lesser of the economic useful life of the improvement or the term of the lease.

Note 3 – Fair Value

Unless otherwise indicated, the fair values of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximate the carrying value of such amounts.

Note 4 – Related Party Transactions

During the year ended December 31, 2017 an affiliated company provided administrative services to the Company for a total of \$6,000 based on the expense sharing agreement. The Company also shares office space with this affiliated company.

Note 5 – Concentration of Credit Risk

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 6 – Net Capital Requirement

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1.

Hudson Capital Advisors BD, LLC
Notes to Financial Statements
December 31, 2017

Note 6 – Net Capital Requirement (continued)

At December 31, 2017, the Company had net capital of \$12,274 which was \$7,274 in excess of its required net capital of \$5,000. The Company's net capital ratio was .44 to 1.

Note 7 – Income Taxes

The Company is a single member limited liability company and is treated as a disregarded entity for federal income tax purposes. As such, the Company's operations are reported on the tax returns of its member, who is responsible for any taxes thereon. The Company is however, subject to the annual California LLC tax of \$900 in addition to the minimum \$800 tax for a total of \$1,700.

Note 8 – Exemption from the SEC Rule 15c3-3

Rule 15c3-3(k)(2)(i) provides an exemption from the SEC's so-called "customer protection rule" for firms that: carry no margin accounts; promptly transmit all customer funds and deliver all securities received in connection with their broker-dealer activities; do not otherwise hold funds or securities for, or owe money or securities to, customers; and effectuate all financial transactions with customers through one or more bank accounts designated as "Special Account for the Exclusive Benefit of Customers" of the Company.

Note 9 – Leases

The Company shares office space with an affiliated company (see Note 4) and has no rent expense.

Note 10 – Subsequent Events

Management has reviewed the results of operations for the period of time from its year end December 31, 2017 to February 27, 2018, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
EXEMPTION REPORT REVIEW

To the Board of Directors and Members
of Hudson Capital Advisors BD, LLC

I have reviewed management's statements, included in the accompanying Exemption Report Review, in which (1) Hudson Capital Advisors BD, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Hudson Capital Advisors BD, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(i) (the "exemption provisions") and (2) Hudson Capital Advisors BD, LLC stated that Hudson Capital Advisors BD, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Hudson Capital Advisors BD, LLC's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Hudson Capital Advisors BD, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
